■ Cabinet Transactions :

- (1) These are options that are considered worthless and may be closed out on a nominal value of HKD10 per contract, which includes all trading fees, but excludes commissions.
- (2) These contracts will be displayed on the price reporting screens as "CAB" bid since an option cannot be traded when the premium value is smaller than the standard minimum price increment for such option product , i.e., 1 bp.

■ The USD/CNH Futures handling charge for physical delivery : HKD350

- Pursuant to an exemption notice made under section 25(1) of the Securities and Futures (Investor Compensation Levy) Rules and gazetted on 11 November 2005, no Investor Compensation Levy shall be payable in respect of a sale and purchase of futures and options contract on or after 19 December 2005 until further notice.

¹ The above amounts can be changed from time to time.

² The USD equivalent of HKD 0.54 per contract at the exchange rate determined by the HKFE from time to time.
